

# Vendor Declaration

## Supply of eggs and other products

To whom it may concern,

### Tamarix Poultry Farm Pty Ltd Quality Assurance Vendor Declaration

#### Mission Statement

Our mission is to produce and supply great tasting, affordable quality eggs and related products as well as maintain our quality and food safety standards ensuring they are reviewed regularly. We say "For the finest eggs, the hen comes first."

#### Vision Statement

We are dedicated to producing great tasting, affordable quality eggs in the most environmentally friendly and efficient manner with the upmost care taken to adhere to the highest animal welfare standards.

#### Quality Statement

Tamarix Poultry Farm is committed to the quality of our eggs and other products.

We will sustain a Quality Assurance Program to meet FSANZ - The Primary Production and Processing (PPP) Standard for Eggs and Egg Products (Standard 4.2.5), and the International Safe Quality Food (SQF) code.

Tamarix Poultry Farm is currently accredited through the HENCARE, ESA (Egg Standards of Australia) SQF (Safe Quality Foods) Quality Assurance Program and our systems, processes and procedures are audited on a regular basis.

1. Production, Capture and Harvesting of Livestock and Game Animals
2. Egg Processing
